Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

To Whom It May Concern

My daughter is 22 years of age and travels 3 hours daily to work in a retail store in the city. She works every Sunday and misses out on many family gatherings such as birthday picnics, Mother's Day and Father's Day celebrations. Why shouldn't she receive a small amount of compensation for this? It's just not Australian to under value our weekends!
