Dr Ian Holland
Committee Secretary
Senate Standing Committee on Environment,
Communications & the Arts
PO Box 6100
Parliament House
Canberra ACT 2600

Dear Dr Holland

Further to the NFF's evidence given to the Committee on 3 December 2009, the NFF undertook to provide further information in relation to Cubbie Station water licences.

The NFF would like to draw the Committee's attention to the Cubby Group website (<http://www.cubbie.com.au/>) to ascertain details the Cubbie Group water rights issued by the Queensland Government from the Balonne, Balonne Minor and Culgoa Rivers.

The Senate Committee should note that the website does not indicate that the Cubbie Group holds (or will hold) licences on the Warrego and Paroo Rivers.

NFF would like to draw the Committee's attention to the Queensland Farmers' Federation submission, particularly section (a), for further information on Queensland water rights and entitlements.

Yours sincerely
