Dear Mr.Ferguson,

I'm writing to you to let you know of my horror of the proposed dump site near

Tennant Creek.

It's time to listern to the Traditional owners , the Ngapa and Muckaty people.

It might be desert (for some people) but people live and breath in the area .

It is time to respect the Ngapa and Muckaty people.

. Go and speak to them Mr. Ferguson .

The dump site should be closer to the site of use.

Yours sincerely ,

Shaaron Smith
