Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a employee, working as a computer technician, currently earning around \$50 per hour.

I have to support my family with high mortgage

If penalty rates were abolished... I would lose about 20% of my income

My weekends are important to me because...I have to take my kids to weekend sports

I urge the committee to keep penalty rates.
