Dear Dennis,

Re – Application for Tasmanian Forests Intergovernmental Agreement

As requested, to assist with your application for a contractor voluntary exit under the Tasmanian Forests Intergovernmental Agreement, we provide the following information extracted from Company log delivery records.

Gunns Limited hereby provides support for the contractor's application.

DM & SJ Iles Pty Ltd as of 24 July 2011 had an Ongoing Contract, as defined in the Grant Program Guidelines under Section 4, with Gunns Limited for either the harvest and/or haulage of native forest logs. A summary of the key contractual information required is detailed in Table 1 below;

Table 1

Contract ID	Start Date	End Date	Annual Volume Contract Volume (Note volume is for Pulpwood Tonnes)
Cartage Agreement	01/10/09	30/09/14	45,000t
Harvest Agreement (Thinning)	01/10/09	30/09/14	20,000t
Harvest Agreement (Ground Based)	01/10/09	30/09/14	25,000t

For the financial years of 2007/08, 2008/09, 2009/10 and 2010/11, we provide in Table 2 the following summary of the totals and percentage of pulpwood harvested and/or carted from Public native forests. This percentage has been derived from Gunns Limited delivery records which record the Land tenure of all deliveries;

volumes would be 25% more with additional products from public native forest.
