Submission to the Inquiry into the Fair Work Amendment (Small Business-Penalty Rates Exemption) Bill 2012

I am a employee, working as a web publisher, currently earning around 30 per hour.

I have recently completed a law degree. I am also a single parent.

the removal of penalty rates would adversely affect me as I often rely on the extra money in order to cover simple living costs. I would lose out, for what?

My weekends are important to me because...

I urge the committee to keep penalty rates.
