Dear Secretary

September 25 2000

Adequacy of Radio Services in non-metropolitan Australia

PNN/News Radio 630 1440 FM

I would like to hear above clearly in Cooma and elsewhere.

Home and international news coverage is better than other sources and it is Federal Parliament after all.

Incidentally, most people I have mentioned it to do not know it exists.

Yours faithfully

*J. F. Hutcheon*
