House of Representatives Standing
Committee on Communications,
Transport and the Arts
Submission No: 15
Country dweller of.....
Date Received: 10/10/2000
Secretary: J. J. [unclear]

Dear Sir,
HOUSE OF REPRESENTATIVES
STANDING COMMITTEE ON
COMMUNICATIONS, TRANSPORT AND
THE ARTS

almost fifty years
from 2GL-2NU Tamworth - also miss "Country
Style" from 2TM. But the loss of the News
Readers from 2UE, Sydney, is also pityful,
etc. as well as Morning Session.

For a local Station 2NZ and
its Advertising Segments, Community Diary
etc. including local coverage of sporting
events is much appreciated

Please do not allow a
monopoly of Broadcasting Stations in
Rural Areas by any one Company. There
is a tendency to have to listen carefully
to the strange compere or mumbling
Newsreaders.

Thanking your Committee in
anticipation of less monopoly more
personalisation as 2NZ more or less has
to a degree,

Faithfully yours
Celina Peole (Mrs. H.C.)
