Dear Mr. Alston,

I would like to be at your Janworth Meeting. Being an Oldie (y.l.wa, Ex Service - woman + Legacy Widow) I cannot make it.

I love the A.B.C Radio both day + night - so please no word cuts.

It amazes me - cuts, cuts but now a crowd of new Managers being appointed at huge salaries! - it is not the Aussie way.

The Janworth ABC Staff are wonderful with the district news, interviews etc. During the floods - my radio ~~was~~ on all the time. Reports we up to date too.

Please, Sir give us a better, not worse service - enough has been taken away already.

Sincerely

(Mrs) Daine
