STANDING COMMITTEE ON  
COMMUNICATIONS, TRANSPORT AND  
THE ARTS

Dear Sir / Madam,

I wish to make a submission to the Radio Industry Inquiry. I wish to make a submission to the committee who are undertaking the Radio Industry Inquiry.

I became a member of Hope Island 94.1 because like many others we had been long suffering listening to all other stations with music that was not entertaining and people (announcers) with bad grammar and even some swearing, this is bad because young children will hear & follow.

Please help by giving Hope Island Radio a full licence.

This station is very entertaining loads of fun to listen to & full of useful information, the Gold Coast people love this station and really need it.

Please consider this note.

Sincerely  
7 Torredon Close
