Dear Sir/ Madam,

The South Australian Dairyfarmers Association (SADA) would like to acknowledge the importance of TAFE SA to the SA Dairy Industry. There has been a close working relationship between SADA and TAFE SA for approx. 30 years.

Most SA dairy farms have staff or owners that have received training from TAFE SA.

SADA strongly supports the current investment into the training provided by TAFE SA to the SA dairy industry.

Yours faithfully,

David Basham
President, SADA
