SUBMISSION .
INQUIRY INTO CHILD CUSTODY ARRANGEMENTS.

Dear Sir,

It is with a pounding heart and troubled Spirit that I make this personal submission into Child Custody Arrangement, after just having read an article that links VACCINATION to the CHILD CARE PAYMENTS BILL, NOVEMBER 11, 1997.

It is bad enough that the family unit has been annihilated since the introduction of No Fault Divorce and the establishment of The Family Law Court and Child Support Agency, but to find that the VACCINATION OF THE CHILDREN of this country could be linked to the FINANCIAL GAIN of parents is astonishing. This could only be called "bribery" and I ask the following questions, under the section of the best interests of the child:

1. How much research is done before vaccination is introduced into the widespread community?
Are you aware that mass vaccination for diphtheria, whooping cough and polio were introduced towards the end of the epidemic?
2. Who are those that push for increase in vaccinations and do they have financial advantage by this increase?
3. What statistics are kept of the serious side affects and death due to vaccination, bearing in mind that Doctors would not link these with vaccination if it were to cause them personal problems (sometimes symptoms take 14-21 days to take effect)?
4. Why are there groups and doctors speaking up against this, and yet this is not regularly reported in the mainstream media?
5. How much money is paid by Government to Drug Companies for vaccination, are they all multi national companies and do they pay taxation from their profits?
6. Why has the Disability Pension increased by 15% in recent years?
7. Has the Immune system of our children been destroyed by unnecessary and an overload of vaccinations destroying their resistance to other diseases?
8. Are you aware that a child has had 25 vaccinations by the time he/she starts school?

9. Do you believe that foreign Drug Companies want our population to become healthier?
10. Are you aware that the microchipping of animals is leading to the microchipping of all babies and adults?
12. Are you aware that microchipping of humans has already started in the United States of America? (Enclosed leaflet, Daily Telegraph 13.2.02)
13. Are you aware that if you get this Microchip called THE MARK OF THE BEAST 666 that you have sold your body and soul to the same Satanic forces that caused Hitler to mark all the Jews and kill those who did not fit in his plan?
(Revelation 13,14,16,19 & 20)

The vaccination of our children based on financial reward is a most frightening development (along with genetic engineering of our food chain). Please consider the additional anguish and agony that is going to face the families of our children, where parents are separated and one parent approves and the other disagrees? This will only cause even more conflict, heartache and suffering of both parents and children.

The Baby Bonus will only increase childbirth outside marriage and cause more conflict between separated parents and the further disintegration of the family unit. (see enclosed article from Sunday Telegraph 23/2/03 \$25,000 bonus to raise our Children)

Very soon everyone will see what is happening worldwide and each person will stand on judgment day to answer for his actions in this plan. Since you find yourself in a very important position in the history of this nation, I pray that you may consider the above points in your review and stipulate that Vaccination be kept a totally separate issue from that of Child Support.

Yours faithfully,

Linne Pattenden.
