Reference:- Inquiry into child custody arrangements in the event of family separation.

Dear Sir/Madam,

As a grandparent who has been refused access to our grandson by his mother I wished to advise your committee that there is more than just the fathers suffering from the breakdown of family groups. As this submission is to be brief and as I do not wish to submit conduct of others I can only conclude by saying I am available for an interview if required.

Yours sincerely,

...B. Saunders.....
