Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is ...

to provide our adult son who has an intellectual impairment with a quality of life.

I face the following problems ...

this is 24/7 and Peter + I are almost 70yrs old housing for David when we can no longer care for

I need help with ...

him - accommodation in a caring, safe environment

I think the Government can better help Carers by ...

listening to our needs + assistance + providing relief.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
