Ground Floor, Law Society Building

CANBERRA 2601

Dear Senator

The Government should not approve the construction of the Immigration Bridge over Lake Burley Griffin. The achievements and contribution of migrants to the Australian society are evident; why would they need a bridge to honour them? The bridge would be a very large, ugly eyesore that would spoil the view of the lake.

Also, paying money to have one's name inscribed on the bridge does not seem to be ethical.

Yours faithfully
