

**TO THE HONOURABLE THE SPEAKER AND MEMBERS OF
THE HOUSE OF REPRESENTATIVES**

This petition of the people of GlenGala Village , Sunshine West, Ardeer and Derrimut

draws to the attention of the House that the Glen Gala, Sunshine West, Ardeer, Derrimut and The Avenue Estate communities are in urgent need of an additional pharmacy to service the needs of their communities.

We therefore ask the House to: Immediately call upon the Federal Government to facilitate an additional licence to dispense medicine in Glen Gala Shopping Centre without further delay, to improve accessibility, competition, affordability and choice for the members of these communities.
