

Public Works Inquiry Williamtown

Air Force Base Redevelopment

New public works at the Williamtown RAAF Base near Newcastle are being inquired into by federal parliament's Public Works Committee. Worth an estimated \$149 million, Stage 1 of the RAAF Base redevelopment will support the Airborne Early Warning and Control aircraft at Williamtown.

If you have any comments to make on Stage 1 of the redevelopment, including its need, cost and value for money, please write by 27 July 2002 to:
