Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

Not fully appreciated or recognized with my wife
in a wheelchair with multiple problems the need is there

I face the following problems ...

Public Hospital, because we are over 70 we receive
different treatment. I face 10 more years of this.
Problems in getting out & about. Not enough homes

I need help with ...

Again Health. Bus home & garden, someone to
stay occasionally. & financial help to afford all
of this

I think the Government can better help Carers by ...

Taking a stronger role in supporting carers
contently in the areas of Health, Physical Day
by day support & financial.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
