Hi John

Thanks so much for you email. Our branch has undertaken a search of all grants in our database since the year 2000, and none them mention Malaysia in their grant titles or keywords.

A search of the 1052 available final reports was also done, and only three grants reported any collaborations with Malaysia. Details below:

139185

Dr Peter McMinn

Practitioner Fellowship

University of Western Australia

A Study of the Molecular Pathogenesis of Murray Valley Encephalitis Infection in Mice Using Infectious cDNA Clone

\$264,250 between 2001 and 2005

254569

Dr Peter McMinn

Standard Project Grant

University of Western Australia

A study of the molecular epidemiology and virulence determinants of enterovirus 71 strains from the Asia-Pacific region

\$286,325 between 2003 and 2005

139052

Dr Timothy Inglis

Standard Project Grant

University of Western Australia

An investigation into the importance of potable water as a source of melioidosis in Northern Australia

\$362,036 between 2001 and 2003

I hope this is helpful. Please let me know if you require any further information.
