

**To the Honourable the Speaker and Members of the House of Representatives:**

**PETITION PRESENTED 21 FEBRUARY 2011 IS AMENDED TO:**

This petition of '*certain citizens and residents of Australia*', draws to the attention of the House the "**Urgent need for a Royal Commission of Inquiry**" into judicial accountability and the inability to correct unsafe Orders of a Court caused by judicial misbehaviours. The public are denied these rights due to the Cronyism and/or derelictions of duty by certain Officers of the Commonwealth.

**JUNE** 2010 a Self Represented Litigant father was refused the right to file an application for a Writ of correction (Certiorari) in the High Court, required to cause an inquiry into complaints of "Judicial Misbehaviour" like those within the "**Administration of Justice**" petitions presented: **23/11/09, 15/03/10, and 24/05/10** refused an investigation/inquiry.

This application for a Writ was claimed to be "**AN ABUSE OF PROCESS**" in Contempt of s.75(v) of the Constitution, transcript evidence, the grounds presented **BY ABUSE OF HIGH COURT RULE 6.07.**

We pray Honourable Speaker, and the Public Interest demands "We Seek Leave" it be moved: a pray be made to the Governor-General for an **Urgent Royal Commission of Inquiry** into:

The acts of Cronyism and derelictions of duty that occur to obstruct judicial accountability.

Denials of the right to file Writs for unsafe Family and High Court Orders.

Obstruction of: "s.75(v) of the Constitution" applications and/or investigations and/or public requests for inquiries into judicial misbehaviour.

We "Seek Leave" this Motion is **URGENT Government Business.**
