

To The Honourable The Speaker and Members of The House of Representatives

This petition of ...The People of Churchill in the State of Victoria. Draws to the attention of
the House

To the state of television reception in Churchill

We therefore ask the house to: Look into this matter as a matter of urgency

We get good reception most of the time,

BUT we get NO signal for short periods many times a day.

This is not caused by two airials as stated by : on behalf of the

Minister for Broadband, Communications and the digital economy. (checked)
