

DEPARTMENT OF TRANSPORT AND REGIONAL SERVICES

Proposed Common Use Infrastructure on Christmas Island
(Airport Upgrade)

Parliamentary Standing Committee on Public Works

Response to Submission

Submission No. 3
from:

Consolidated Constructions Pty Ltd

Date:

23 April 2002

Main Points of
Submission:

1. The airport upgrade should proceed.
2. Economies are likely if the airport is upgraded at the same time as other major construction projects are occurring on the island.

Response:

1. Comments noted.
