Chairperson
Parliamentary Standing Committee on Public Works

Dear Chair,

RE: LOCAL LABOUR AND MANUFACTURING.

The CFMEU Forestry and Furnishing Products Division would like to make the following queries about the project.

Firstly does the project have any charter to reduce the high general unemployment in the Northern Suburbs of Adelaide?

Secondly does the project have any charter to reduce high youth and indigenous unemployment in the Northern Suburbs of Adelaide?

In addition could the following queries be answered?

Timber

What timber products are being used in the new facility? Are they Australian grown and made? Are they locally made in the Northern suburbs of Adelaide? Do the companies used have apprentices?

Glass & Glazing

What glass and glazing products are being used in the new facility? Are they Australian manufactured and made? Are they locally made in the Northern suburbs of Adelaide? Do the companies used have apprentices?

Furniture

What furniture items are being used in the new facility? Are they Australian manufactured and made? Are they locally made in the Northern suburbs of Adelaide? Do the companies used have apprentices?

Floor Covering

What floor-covering items are being used in the new facility? Are they Australian manufactured and made? Are they locally made in the Northern suburbs of Adelaide? Do the companies used have apprentices?

In unity,

Dave Kirner
Secretary
CFMEU FFP SA District
