Attention: Vivienne Courto (Inquiry Secretary)

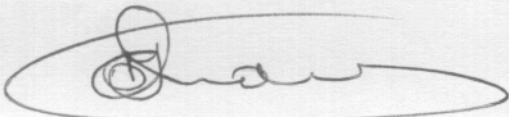

Dear Madam/Sir,

**Re: Site Remediation And Construction Of Infrastructure
For The Defence Site
At Randwick Barracks, Sydney NSW**

Regarding the proposed Works as shown on the Statement of Evidence and Supporting Plans, Department of Defence dated December 2002. The plan does not indicate the works are within 40m, measured horizontally and at right angles to the flow, from the high bank of a waterway. Therefore the Department has no objection to the remediation and construction.

Could you please direct any questions or correspondence to Greg Brady, Environmental Review Co-ordinator, phone contact (02) 9895 7441.

Yours sincerely,
