Submission to the House Committee on Communications, Transport and the Arts.

Residents of the Shire of Coolgardie have access to two AM frequencies; the Australian Broadcasting Commission and Radio West broadcasting from Kalgoorlie-Boulder. Until recently Radio West had a local news segment as part of their morning sessions, this is no longer available.

Another service that requires upgrading is Racing Radio. Neither the FM or AM stations have adequate cover for the townsites of Kambalda, Kambalda West and Coolgardie.

H J (Jim) FRASER
Chief Executive Officer
Shire of Coolgardie
