Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

To care, support + supervise
my daughter

I face the following problems ...

My daughter is legally blind, mentally challenged
+ no-one dependent.

I need help with ...

Money, mortgage payments, Saps, Respite,
employment.

I think the Government can better help Carers by ...

Paying much more allowance, that
will help us to live a better life.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
