

TO THE HONOURABLE THE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES

This petition of **Residents against the closure of Traralgon's Franklin Street Post Office** draws to the attention of the House: **Australia Post's proposed relocation of postal services from Franklin Street, Traralgon to Church Street, Traralgon.**

We therefore ask the House to: **Direct Australia Post to retain postal services, including Billpay and parcel services, at the heritage-listed Post Office in Franklin Street, which is serviced by public transport and easily accessible to the elderly and disabled.**
