SUBMISSION .....6.....

Mr Raymond Knight  
Parliamentary Standing Committee on Public Works  
PO Box 6021  
Parliament House  
CANBERRA ACT 2600

Dear Mr Knight

**Supplementary Submission - Fit-out of New Leased Premises for the Department of Health and Ageing, Woden**

Thank you for forwarding the submission from Dr Foskey MLA, Molonglo (Submission 3), in relation to the above proposal, to the Department of Health and Ageing (the Department) on 9 May 2007.

The Department notes that Dr Foskey's submission identifies water use as an important environmental issue to be addressed in the building design. As a result, the Department will review the base building design, including the landscape design, to seek to reduce water use and improve water management more generally.

Please do not hesitate to contact Mr Neil Storey, Director, Central Office Accommodation, on (02) 6289 8281 or by email, [neil.storey@health.gov.au](mailto:neil.storey@health.gov.au), if you have any questions.

Yours sincerely
