Dear Government officer,

I am writing to you regarding the huge increase in the unit insurance premiums. I am an unit owner of [REDACTED]. I bought this unit about 4 years ago and it has not increased in value, I am already struggling to hold this unit and now facing huge increase of insurance premiums.

I hope government can really consider for owners, investors in the area, if all owners are forced to sell their homes, it will strongly affect the economy of Cairns and that in turn will affect the income for local government too.

I hope you can do something to stop the insurance company to add the huge increase of the premiums or help us by providing some rebate.

We all don't want to see Cairns to become a Ghost town.

Regards,
