Dear Sir,

Please accept this submission for the JSCEM's Inquiry into the 2007 Federal Election. My enrolment in Australia is under my baptised name of Aglaia Papageorgiou of 28 Clarke Dve, Gladstone Park 3043 VIC, Australia. During the last elections I was in Athens, Greece and voted at the embassy there. I wanted to send off this email in order to make sure that you received this information. THE service was outstanding. I was very happy to participate in what for me is a very important and fundamental democratic right of all members of society.

Thank you for this - I am not sure how much more detail I need to go into - but the staff at the embassy were extremely helpful - they talked me through all procedures when i was aiming to find out in the weeks leading up to the elections and thanks to my keen interest, and the procedure being simplified by the embassy staff, my parents also enrolled to vote Mersina & Dimitri Papageorgiou went along and voted as well.

Thank you again
Alia Papageorgiou
