Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

to care for a to make sure my
husband gets the best treatment

I face the following problems ...

transport
availability of doctors & specialists
the worry of medication prices going up.

I need help with ...

understanding which medications are
available at the cheaper prices on the NHS
list.

I think the Government can better help Carers by ...

providing more money especially for
those who only have the carers pension
as their only income

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
