Submission No. 130  
(Inq into better support for carers)

A.Oc. 25/6/08

Dear Secretary

I wish to make a Submission to the  
House of Representatives Standing committee on  
Family , Community , Housing and Youths inquiry into  
Better Support for Carers

I contribute to Australian Society by caring for my husband, after he had a Stroke 11 years ago. I have been constantly caring for him thus saving the Government thousands of Dollars. Trust that carers will receive more help, thus to enable us to keep up the work.

I think the Government can help carers by making available further funds and places for clients to attend.

Thank you for taking my views into consideration as part of the Committee's inquiry. I look forward to reviewing any recommendations you make to improve life for

Carers in Australia

Yours truly

Kathy
