Submission No. 217  
(Inq into better support for carers)

Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is ....

To look and care for my wife as long as I am physically able, and not burden the government.

I face the following problems ...

I feel I am not strong enough to lift her, especially if or when she falls. She depends on me for all her mobility.

I need help with ...

To be with her so that I can spend more time when I go out.

I think the Government can better help Carers by ...

Probably increasing our allowances.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
