Dear Secretary

I wish to make a Submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers

My caring role affects my life as I am on Call with my mother 24 hrs 7 days a week. She lives with me & needs Emotional Support as well as with normal life things.

I also find it difficult financially because I had to give up employment & not being Pension age I live off a small weekly payment from my Super. & Carers Allow & Mum's small Pension.

Please help all Carers who give their lives 24/7 52 weeks a year.

Thank you for taking my views into Consideration as part of the Committee's Inquiry. I look forward to reviewing the recommendations you make in order to improve support for Carers.

Yours Sincerely Carol
