Subject: Bankruptcy Act Exposure Draft

7 JUL 2004

Attention Gillian Gould

I have just read an example of the effect of proposed changes to the Bankruptcy Act. I understand that the draft bill is not limited to Income tax liabilities and that it may capture purely innocent family transactions. I also understand that the governments objective can be achieved by amending the Tax act and that a submission to that effect has been lodged with the House of Representatives Standing Committee on Legal and Constitutional Affairs. I fully support an amendment to the Tax Act instead of an amendment to the Bankruptcy Act.
