Mr Quinten Clements  
Inquiry Secretary  
Joint Standing Committee on the  
National Capital and External Affairs  
Parliament House  
CANBERRA ACT 2600

Dear Mr Clements

**Inquiry into Pay Parking in the Parliamentary Zone**

I refer to your letter of 20 May 2003 regarding the Committee hearing that I attended as a witness on Friday 9 May 2003.

I wish to advise two corrections to the proof transcript as follows.

- Page 68, paragraph eight, should read: Mr Pahl – In the Edmund Bartron Building, 1,650.
- Page 70, paragraph six, should read: Mr Crane – Our hours are certainly affected by the sitting of parliament, the budget and various other issues.

I also undertook to provide the Committee with some details regarding certain staffing numbers at the department (page 68 refers).

- As at 31 April 2003 the department employed 356 staff of which 15 were employed part time. The number of female and male staff was 234 (66%) and 122 (34%) respectively.

I hope this information is of assistance to the Committee. Please contact me on 6271 5406 if you require any additional information.

Yours sincerely

Terry Crane  
Acting Assistant Secretary  
People and Resource Management Branch
