

## *PETITION*

*To the Honorable the Speaker and Members of the House of Representatives  
Assembled in Parliament:*

*This petition of certain residents of the State of Western Australia draws to the  
attention of the House that war crimes committed in the 1971 Bangladesh Liberation  
War remain uninvestigated.*

*Your petitioners therefore request the House to ask the government of the  
Commonwealth of Australia to raise with the government of the Peoples Republic of  
Bangladesh the importance of fully investigating war crimes committed during the  
1971 Bangladesh Liberation War and bringing the perpetrators of such crimes to fair  
and just trial.*
