

TO THE HONOURABLE THE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES

When citizens presume Officers of the Commonwealth or Judges appointed by “the Governor-General in Council” is misbehaving, they “**shall** not be removed except by the Governor-General in council on an address from **both Houses of the Parliament.**”

An aggrieved citizen shall submit a petition to the House of Representative for **action** from the House as per Standing Order 208. So, 208 is an action by the House that **shall** be done by the House.

We ask the House to return the exclusive power of “**both Houses of the Parliament.**”

We ask this so that both our Constitution and our Democracy can be returned to the Parliament and hence, the people of Australia.

We ask the House to address matters where only Parliament has jurisdiction, not the Executive.
