SUBMISSION 2

Dear Ms Moylan

Thank you for your letter dated 11 July 2006 regarding the fit out of new leased premises for the Department of Employment and Workplace Relations at Brindabella Business Park.

I have no comments to make to the Committee in respect of the fit out of these premises, however, I would again raise the Territory Government's concerns that with more office employees being located at Brindabella Park there will be increased pressure on the local road network, particularly during peak hours.

As has been raised previously with the Australian Government, with the development of non-aviation related activity at the Airport, it needs to take a more active role in addressing these local road infrastructure issues.

Yours sincerely

Simon Corbell MLA
