CANBERRA ACT 2600

Dear Sir/Madam,

**PROPOSED COMMON-USE INFRASTRUCTURE CHRISTMAS ISLAND
AIRPORT - CALL FOR SUBMISSIONS
SUPPLEMENTARY INFORMATION**

I refer to the submission dated 3 May 2002, forwarded by the Water Corporation, regarding the proposed airport upgrade works on Christmas Island.

The Water Corporation does not have any issues of concern related to the proposed development and made the submission as a courtesy comment in the broad sense only.

Should the need arise, the Corporation would offer support for any consultation process regarding water and wastewater services through its client, the Department of Transport and Regional Services.

Should you require any further clarification on this matter, please contact me on 9420 2023.

Yours sincerely
