

Submission to Parliamentary Inquiry

To:	Parliamentary Inquiry on Strata Titled Insurance
From:	Chelsey Johnston
Location of Property:	[REDACTED]
Number of Units:	28
Comments:	

The rising insurance costs is of real concern to me. I am a student at JCU and can only work part time. As it is, affording the body corporate fees plus Council rates is a real struggle on top of ordinary living costs & bills. To be honest I cannot imagine how I would cope should the fees increase further. Please find a solution to this problem & assist us as much as you can.
