Dear Sirs,

Please be advised the insurance on my apartment / block has increased to such an amount it is to a point of unaffordability.

The 2010/11 the cost of insurance is \$18185.00/ \$673.51

The 2011/12 the cost of insurance is \$55000.00 / \$2037.00

That is a 300% increase and is unaffordable.

Regards

Ross Baker
