 STANDING COMMITTEE ON
 COMMUNICATIONS TRANSPORT AND
 THE ARTS

Dear Secretary, re - inquiries into radio activities
 I listen - or used to listen to 2TM Tamworth, prior
 to January 2000, until 2SM Sydney took over +
 cancelled all the popular programmes - not
 forgetting the country + western hours + many of
 the announcers - to listen to whats happening in
 Sydney, which a lot of people are not interested
 in. There is too many talk back shows.

Please! could the inquiries get back the country
 programmes which we all enjoyed?

Thank you
 Mrs B Kington
