Number 2370

The following are my reasons for objecting to the one ownership of Country Roads we only have the choice of 2 stations A.B.C. & Inverell.

No time checks other than 4 minutes hours, not told which hour.

Late Back Shows, with the Announcers only allowed to voice an opinion same music played week after week not enough variety

Not enough local news.

City Announcers don't know that Country Roads exist.
