I hate...no loathe.... the csa...and its one sided values.....I love my children,,,,,I love them more than anything in this universe,,,,,,I do not need the csa to tell me how much I love my children....I do need the csa to stop my ex wife from taking my children to live more than 5 hours drive away....but guess what?...all they want is my cash....so I have paid child support all these years so my ex wife can have a life of luxury in the country (with centrelink benefits and my child support),,,I go to work...guess who doesn't and if I am lucky I will get to see my children 3 times per year.....rather than 2 - 3 times a week I have now....I am fortunate enough to be able to afford the legal fees,,,others in my situation may not be,,,,.thanks very much csa...I hate you with a passion,,,the child support I have paid all these years have paid for my ex wife's moving expenses ! Oh and by the way ...I am a model citizen and father .....not a child molestor or wife beater....!!!
