Dear Secretary

I wish to make a submission  
to house of Representatives Standing  
Committee on ~~Family~~ Family Community  
Housing and Youth's Inquiry into better  
support for Carers.

~~Dear Secretary I wish~~  
to make submission

My role as a carer is  
helping my wife when showering and  
dressing. When Elsie is out side she  
needs help because of the glare. When  
shopping she needs help to identify what  
she is looking for. Elsie ~~has~~ has Retinitis  
Pigmentose and arthritis she needs  
help with her meals.

all ~~the~~ prices has risen and I find it hard with the us keep financially we go into 28 miles away to do our shopping once a fortnight. My caring roll brings me into doing all the cooking washing and odd jobs that needs doing

The ~~the~~ practical support would be the best for both of us to stay in our home and being together I thank you for taking notice and considering my problems as part of the committee's inquiry I ~~do~~ look forward to receiving the recommendation you make in order to improve support for carers

Yours sincerely  
Richard
