Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

very demanding with little
scope for relief.

I face the following problems ...

very few hours for my own time

I need help with ...

more assistance with house
cleaning and additional companionship
for the disabled person

I think the Government can better help Carers by ...

Providing in home help while the carer
has time off for his own problems.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
