Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

Taking care of my Son who is a Quad. which he
needs help Day and night.

I face the following problems ...

Not having ~~enough~~ enough Carers in our small
Town of Tom Price To help when I have to go away
for Surgery.

I need help with ...

Night time stay overs, More street lighting.
Shops that are too small and my Son has to stay
outside. Foot Paths Door he can't open. To have
to be with him whenever he goes.

I think the Government can better help Carers by ...

Paying them more for the work they have
to do. ~~The~~ reponsablity they have looking after
People and Kepping them at home which the Government
wanted not Hospitals Lower prescriptions for long term
Patients

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
