Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is ....

to care for my disabled child in a loving, home environment to make her life a normal as possible.

I face the following problems ...

Chasing information on help to better enable me to care for my child.

I need help with ...

Funds to support us with the care of our daughter.

I think the Government can better help Carers by ...

Recognising just what we do to help our special kids have a normal life and doing it pretty much with little help from outside.

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
