Dear Secretary

I wish to make a submission to the House of Representatives Standing Committee on Family, Community, Housing and Youth's Inquiry into Better Support for Carers.

As a Carer, I feel that my role is

Being on care I feel I should get a little bit more assistance regarding payment

I face the following problems ...

I have no problem outside amount with money help as I receive a D.S.P I'm finding that quite hard.

I need help with ...

"money help".

I think the Government can better help Carers by ...

"money help".

Thank you for taking my views into consideration as part of the Committee's Inquiry. I look forward to reviewing any recommendations you make to improve life for Carers in Australia.

Yours sincerely
